

Microsoft PowerPoint Training

Microsoft PowerPoint 2010 Advanced

Who Should Do This Course?

This course is intended for current PowerPoint users who wish to extend their knowledge and skills beyond the basics. Upon completion of the course, students should be able to use advanced techniques to create highly interactive presentations efficiently.

Duration: 1 day

Class size: 10 students max

Times: 9:00am - 5:00pm

Price: Refer to our website for current course and package pricing

After the course?

Each student will receive:

- Certificate of completion
- Training manual
- 12 months FREE email support
- FREE class re-sit (if necessary)

About The Course

During this 1 day course, participants will learn to enhance their presentations with sound and video, diagrams, charts and animations, and import data from other programs. Instructors will also introduce techniques for improving productivity, such as colour schemes and templates.

Learning Outcomes

Upon successful completion of this course, participants will be able to:

- create and work with tables
- create and work with charts
- insert and edit images
- edit inserted images
- create animations in a presentation
- insert video and sound clips and work with action buttons
- create and work effectively with themes
- view and modify slide masters
- create and use custom templates
- set-up a presentation for a required presentation mode
- save and share your presentation in different modes
