

Microsoft Word Training

Microsoft Word 2013 Advanced

Who Should Do This Course?

This course is primarily aimed at people who need to know how to use the more advanced features of Word, including document automation, outlining, working with longer documents, merging and WordArt. Students should have completed Word Beginner and Intermediate training courses or have a good working knowledge of Microsoft Word and document creation.

Duration: 1 day

Class size: 10 students max

Times: 9:00am - 5:00pm

Price: Refer to our website for current course and package pricing

After the course?

Each student will receive:

- Certificate of completion
- Training manual
- 12 months FREE email support
- FREE class re-sit (if necessary)

About The Course

During this 1 day course, instructors will take experienced users of Microsoft Word 2013 through advanced tasks such as bookmarks, indexes, endnotes and footnotes, use Master Documents, columns and outlining.

Learn to perform complex merges, import data from other programs and advanced automation through the use of fields, forms and macros.
